# Widgit Activity Packs

for **Writing with Symbols 2000**

version 2.6 and above

## The Greedy Fox,

NLS Reference Y3 term 2

Worksheets and activities to support the fable The Crafty Fox,  
from Shirley Austin

There is also a version of the story that can be read on-line at [www.symbolworld.org](http://www.symbolworld.org)

These materials have been made for pupils who may be working on text level work in class which is far in advance of their word and sentence level work. So although the text level may be from KS2 there is still chance to develop some of the foundation work from KS1

When you download the files you can save the file to your hard drive or to a floppy disc. You can use this file to install the resources to any machine that has Writing with Symbols 2000.

All the files will be found inside your WWS2000Work directory. The Books and information sheet are PDF files and will be a folder called Activities PDF. The worksheets will be in the Writing directory, in a folder called Activities, and the WWS Environments will be found in your Wizard Environments folder, also inside Activities. There are environments in each of the NT-2000, Hi-re and Lo-res folders.

The packs all use a wordlist called **widgit packs.wus** which will be installed into the wordlists folder. Some activities also have new graphics. These will be installed into your MyPics1 folder in a directory called **Widgit Work Packs**.

You will need to use this wordlist if you want to make any extra resources of your own. This is based on the wordlists **Widgit A**, but you can also merge this wordlist with your own preferred list to get all the symbols you may want.

### The Greedy Fox : Read the story in different formats.

The Greedy Fox	Story on Symbolworld	1. Read on Web
Fables1-Greedy Fox story	WWS file to print	2. Story to read on two pages
Fables1-Greedy Fox big story	PDF file to print	3. Print paper book A4 .
Fables1-Greedy Fox A5 story	PDF file to print	4. Print paper book and cut to make a small A5 book

### Activities based on the story

Fables1-Greedy Fox sentence strips	WWS file to print	5. Printout grid of sentences, cut into strips to sequence. Sequence and stick into books. Discuss well first then maybe do as independent task for assessment.
Fables1-Greedy Fox sentences	WWS environment	6. Sequence the story in WWS
Fables1-Greedy Fox wrong	WWS file to print Very simple version of story with some words which have been changed eg box instead of tree, cows instead of sheep	7. A good independent activity once the child is familiar with the story. Child reads the story and crosses out the wrong words. 8. Extend by getting child to write in correct word using the original story.
Fables1-Greedy Fox muddled	WWS environment	9. Sequence the words in each sentence – on screen activity.

### Other activities based on this vocabulary

Fables1-board cvc a o u Needs files:  Fables1-vowels a,o,u for board game – cut into strips for each child playing.  Fables1-board a o u. answers – may be useful	WWS files to print Snakes and ladders board game. To reinforce cvc words medial a,o,u	10. Print out – You could enlarge to A3 and laminate. Print out – enlarge to A3 and laminate. Need die, counters and cards with a,o,u for each person playing. Throw the die, move on that number of places. If you land on a snake go down. If you land on a ladder go up. Then <ul style="list-style-type: none"> <li>say the word represented by the picture and point to the correct medial vowel card OR</li> <li>say the word and then say a word which rhymes with the word.</li> </ul>
Fables1-Greedy Fox picture words	WWS files to print	11. Paper activity sheet to match pictures to words
Fables1-picture word cards	WWS files to print	12. Cut grid into cards to match pictures and words as above.
