

The Three Little Pigs

Three little pigs playing in the sun.

Three little pigs having lots of fun.

Sun shining brightly, lighting up the day.

Happy little pigs out to play.

The Three Little Pigs

Three little pigs washed and fed.

Three little pigs tucked up in bed.

Down goes the sun, darkness fills the night,

Three little pigs turn off the light.

The Three Little Pigs

   
Three little pigs playing in the sun.
