Egyptian Communicate: SymWriter Resources

All of these resources, whether bought or free of charge, are protected by copyright and you must not under any circumstances distribute these to any third parties.

Resource Packs for Communicate programs are installed into the Shared files area and are ready to open and print. Also included are any additional graphics used in the pack that are not included in the main Widgit 05 set and a topic wordlist so that you can create or modify activities. Resource Packs supplied ready to print as PDF files require Adobe reader™. They do not require any symbol software, but they may not be edited.

The Resources in this list represent the majority of materials available at the time of printing. Check the web for the latest packs available, including discount bundles and printed packs.

To get up to date information about our new Resources, join the Widgit Mailing List. Visit the home page of www.widgit.com and submit your email address.

All these resources can be downloaded from www.widgit.com/resources

Language Development

Language Development Foundation to KS2

Language Development Pack Complete set packs 1 – 10 on CD TP

£79.00

These packs are designed by a Speech and Language Therapist to provide a very comprehensive suite. The materials are designed for use by teachers, teaching assistants and others supporting pupils with language difficulties. Each pack includes an instruction guide listing the contents and overall features of the pack. Each file within the packs contains guides to the adult on how to use the materials and what to look for in the child's response.

The packs are also available separately:

Age equivalent 2-3:6

Language Development Pack 1: Early Language Resources TP

£10.00

A treasury of early language resources for working on vocabulary, two-word utterances and longer sentences.

Age equivalent 3-6y

Language Development Pack 2: Language-differing Complexity TP

£10.00

A wide variety of language tasks of differing complexity (based on the work of Marion Blank).

Age equivalent 4-6y

Language Development Pack 3: Places we go TP

£10.00

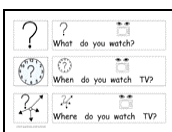

Places we go, things we do - lots of ideas for vocabulary work, talking about plans, and understanding instructions.

Age equivalent 4-7y

Language Development Pack 4: Elements of Narrative TP

£10.00

Activities aimed at building up awareness of the links between question words and appropriate answers.

Age equivalent 5-8y

Language Development Pack 5: Verbs past TP

£10.00

Carefully grouped -ed past tenses (with ideas for pronunciation) and common irregular past tenses.

Age equivalent 5-8y

Language Development Pack 6: Charts TP

£10.00

Practise completing charts from pictures and children's profiles. Associated worksheets encourage chart interpretation.

Age equivalent 4-6y

Language Development Pack 7: Reading 1 TP

£10.00

An early look and say reading scheme in two packs. The reading vocabulary is learnt playing 'pairs' with symbol support. Simple reading books and a memory task back up learning.

Age equivalent 4-6y

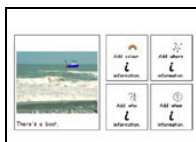

Language Development Pack 8: Reading 2 TP

£10.00

An early look & say reading scheme in two packs. The reading vocabulary is learnt playing 'pairs' with symbol support. Simple reading books and a memory task back up learning.

Age equivalent 7-9y

Language Development Pack 9: Extending Language Skills TP

£10.00

A pack of ideas for children who continue to have problems with comprehension and sentence building. N.B. This Pack may be too challenging for some children.

Age 4y plus

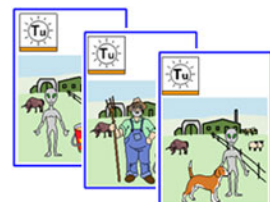

Language Development Pack 10: Shape Up TP

£10.00

Encourage sentence development with children. Suitable for approximately 4y with specific language impairment and older children with global delay.

Logic games

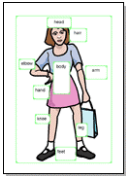

Logic Games

FREE

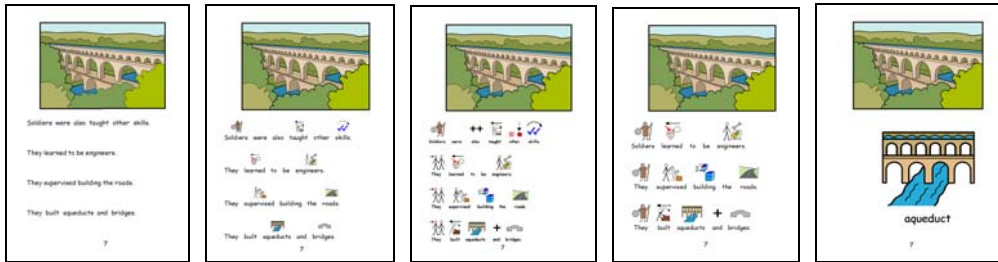

A set of four logic games for two players from Catherine Redmayne. Four sets of cards for playing logic games. The pack includes preliminary work to discuss the vocabulary; cards for the logic games and other activities, and a page to stimulate follow up work.

Vocabulary cards and activities from Joan Robson
A set of three activity booklets about body parts, parts of the head and family members. Includes templates for making bingo and other games using the general vocabulary.

History

The History reading books are made at five levels of support:

- **Text only** Short sentences, one sentence per line, four lines per page.
- **Supported text** As text version with small symbols for key words and new vocabulary.
- **Symbol** The same text plus symbols for all the main words for pupils requiring more support.
- **Simplified** Less information, two to three lines per page.
- **One symbol** This most basic level has just one symbol on each page.
