

# Missing Words

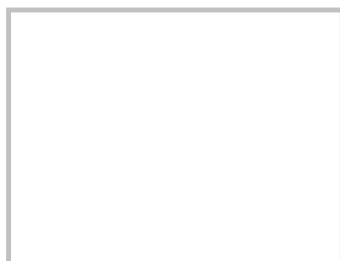

David Attenborough is well known for his nature

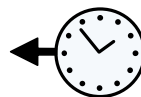

.

500

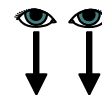

Five hundred

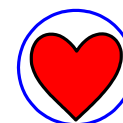

viewers

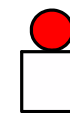

have

watched

'Life

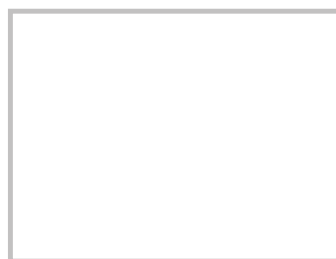

On

Earth'.

David has

about

plastic pollution.

000,000

M

million

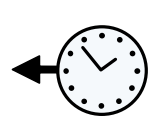

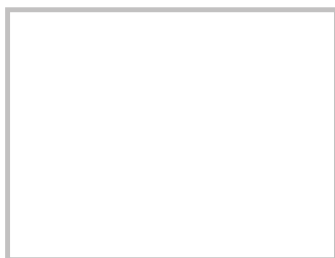

documentaries

campaigned

# Missing Words

has

recognised

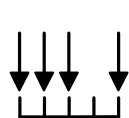

that the

climate

is

changing.

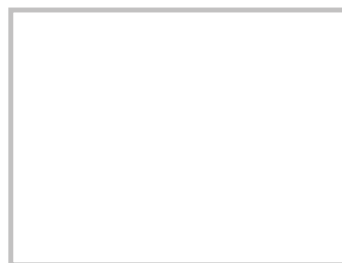

Many

species

are

by

climate change.

David

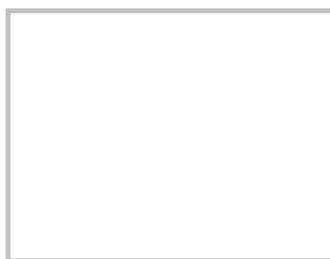

has

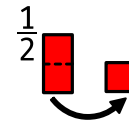

called

for

to be

halved

by

2030

2030.
