Neighbours are invited to share food and fun.

Local communities will come together to celebrate.

The Big Lunch is an idea from the Eden Project.

The Queen Consort has supported this since 2013.

Thousands of events are expected to happen.

There will be street parties held across Britain.

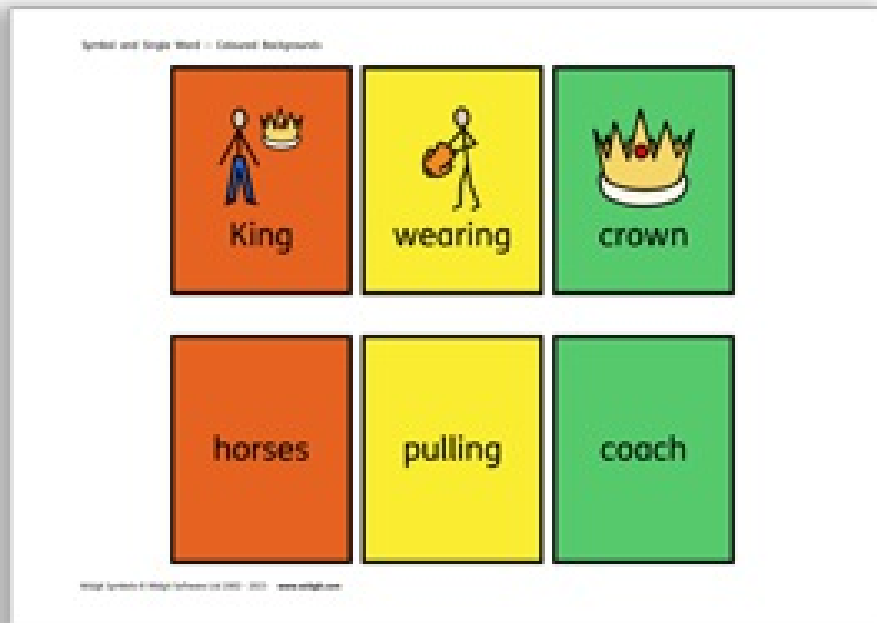

The Big Help Out is on Monday 8th May.

Members of the public are invited to help out.

People are encouraged to try volunteering.

People can join in to support their local areas.

## Colourful Semantics

Colourful Semantics supports children in developing their spoken and written language. It supports the development and understanding of sentence structure by beginning with the verb. Every sentence needs the verb and then '*something else*.' If doing this correctly, it will mean there is not always the Who, Doing, What, Where structure which you may have been using previously.

The resource includes a mix of **vocabulary** work based around the colours such as matching, as well as '*true*' Colourful Semantics work which focuses on sentence structure. Activities start with the basic single word structure and move through to more grammatically focused activities and onto sentence building / writing.

Colourful Semantics is a system developed by Alison Bryan.
