Signage	These symbol-supported signs can be used to help support wayfinding and personal care around a socially distanced school environment,
Washing Your Hands Poster	This easy-to-follow poster can be used to start conversations with children and young people about hand washing and personal hygiene. It can be placed next to a sink to show them the correct procedure for washing their hands.
Visual Timetable	Support structure, routine and reduce anxiety with this Visual Timetable, designed for use at the front of the classroom to detail a sequence of activities.
Labels	Support independence in the classroom with symbolised Tray Labels that help emergent readers find the resources required for activities.
All About Me Activity	An ideal icebreaker for the start of the new school year. This activity starts discussions and allows children to get to know one another.
How Am I Feeling?	This set of symbol flashcards help give children and young people the words they need to communicate how they are feeling. Use the cards as a poster or laminate the individual cards and attach them to a key-chain or lanyard to create a handy portable visual support.
Managing Emotions	The past few months have been confusing and unsettling for everyone. Managing your emotions in unsettling times can be difficult. This chart helps children and young people acknowledge how they are feeling and suggests appropriate ways they can help manage these emotions.

Toolkit Contents

Reward Chart	Getting ready for any new term can be challenging for many children and young people. Setting targets and rewards for achieving them is a great way of motivating and rewarding positive behaviour.
Core Vocab Board	A Core Vocabulary board is a set of highly useful single words that can be used alone or in combination to communicate for a range of purposes on countless topics with a wide variety of communication partners. Use the chart included in this set to communicate with your child about the changes that are due to happen over the coming weeks.
High Frequency Words	High Frequency Words (or Phonics Tricky Words), can be difficult for beginner readers to read as they are yet to come across some of the spellings and graphemes contained in them. This symbolised High Frequency Word mat will help your pupils to achieve the objectives of the DFE Letters and Sounds program.
Medium Frequency Words	Medium Frequency Words (or Phonics Tricky Words), can be difficult for emergent readers to read as they are yet to come across some of the spellings and graphemes contained in them. This symbolised Medium Frequency Word mat will help your pupils to achieve the objectives of the DFE Letters and Sounds program.
Maths Mat	This handy symbol supported Maths Mat features a helpful number square, number-line, common shapes and times tables up to 12.
Make Your Own Visual Supports	Information on how you can make your own visual supports using over 18,000 Widgit Symbols and 100s of editable templates. Free trials are available with plans starting from as little as £6 per month.
