ANTI-BULLYING ALLIANCE

Widgit

Bullying as a group behaviour

Bullying

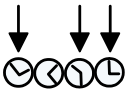

rarely involves

only

one victim

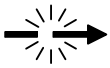

and

one bully.

It usually involves

other people

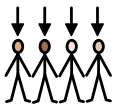

who

can influence

the bullying.

These people

have

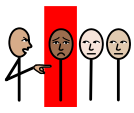

different roles

that can

change.

Roles:

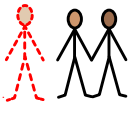

ringleader

target

assistant

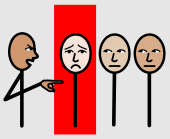

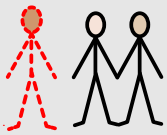

reinforcer

defender

bystander

Roles:

 **ringleader**	Initiating and leading the bullying. Not always the person 'doing' the bullying.
 **target**	The person at whom the bullying is aimed.
 **assistant**	Involved in 'doing' the bullying but not leading it.
 **reinforcer**	Supports the bullying. Might encourage other people to 'collude'.
 **defender**	Stands up for the victim. Knows that bullying is wrong and tries to do something to stop it.
 **bystander**	Ignores any bullying and doesn't get involved.
