

My Daycase Operation

Adult

Name: _____

Date: _____

At home

I must not have any food
before I come to the hospital.

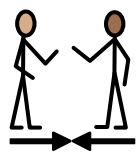

I can have a glass of water.

At the hospital

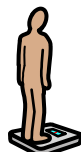

I will tell the receptionist when I arrive.

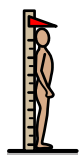

I will meet a nurse who will talk to me and my friends, family or carers.

I will get a band on my wrist with my name on it.

The nurse may weigh me on the scales.

The nurse may check how tall I am.

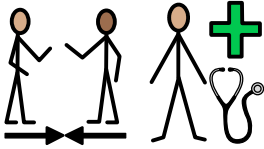

The nurse may check my temperature.

The nurse may put some medical cream on my hands.

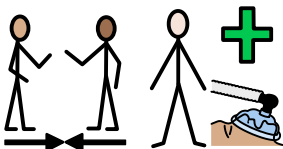

At the hospital

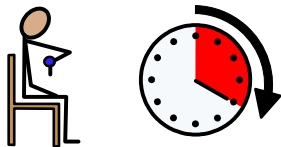

I will meet a doctor.

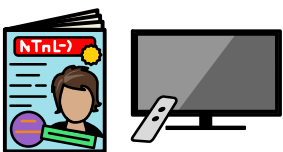

The doctor may wish to examine me.

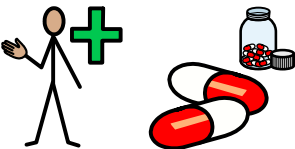

I will meet an anaesthetist, who will tell me about having an anaesthetic.

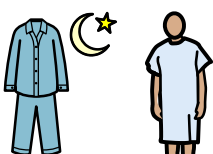

I may have to wait for a while.

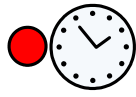

I can find something to do while I am waiting.

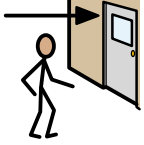

The nurse may give me some medicine to take.

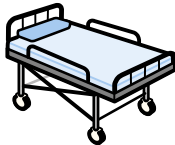

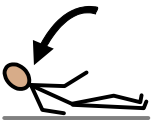

The nurse may ask me to put on my pyjamas or a hospital gown.

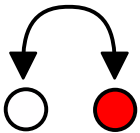

Before the Operation

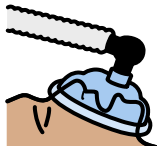

I will go to the anaesthetic room.

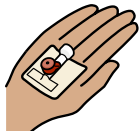

I will lie down on the trolley.

Or

The anaesthetist will ask me to breathe anaesthetic gas in a mask.

Medicines will be put into a tiny tube in my hand.

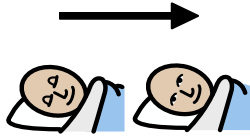

I will go to sleep for a while.

The anaesthetist will look after me while I am asleep.

After the Operation

I will wake up after my operation.

The nurse will give me medicine if I feel sore or sick.

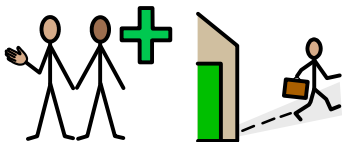

I can see friends, family or carers.

I may have to rest for a while.

I can have something to eat or drink when I feel ready.

The doctors and nurses will tell me when it is time to go home.

My friends, family or carers will take me home.
