

# Erections

I

am

growing up.

My

body

is

changing.

 My body is mine.

My

penis

is a

private part

of

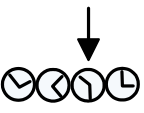

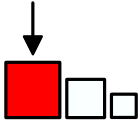

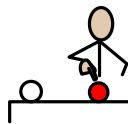

my

body.

 Sometimes, 
  my 
  penis 
 might 
  grow 
  bigger.

 This 
  is 
 called 
 an 
  erection.

Erections are normal.

Most people with a penis have erections.

This is OK.

Erections

can

sometimes

happen when

I

think about

someone

beautiful

or

touch

my

penis.

Erections

can

sometimes

happen when

I

am

excited

or

need

a

wee.

Erections

can

sometimes

happen when

I

am

asleep

or for

no

reason.

My

private parts

are

private.

Erections

are

private.

I

cannot touch

my

penis

or

erection

in

public.

I can

touch

my

penis

or

erection

in

private.
