

Swan Lake

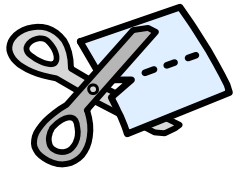

Make Your Own Ballet

A musical notation template for creating a ballet score. It consists of three horizontal rows of musical staves. Each row begins with a different musical symbol: a treble clef on the first row, a quarter note on the second row, and a pair of eighth notes on the third row. Following each symbol is a sequence of four empty, light-blue rectangular boxes, each connected to the next by a horizontal line. These boxes are intended for students to draw their own musical notes and symbols.
