or

sellotape

# Create Women's Rugby World Cup Bunting

## Method

1

Print copies of the template

2

Cut out the template copies

3

Cut length of string or ribbon

4

Fold the paper on dotted line and put face down

5

Space triangular templates evenly apart with flaps up

6

Place string across triangular templates and under flaps

7

Stick the string in place

8

Display the bunting to celebrate

Safety reminder

Take care when using scissors and glue
