Only adults

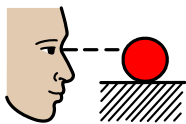

light

the fireworks.

watch

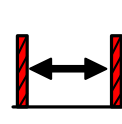

bonfires

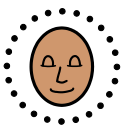

and fireworks

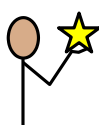

from a safe

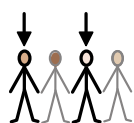

distance.

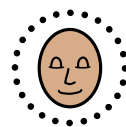

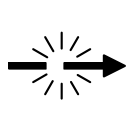

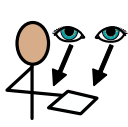

Staying safe is an important part of Bonfire Night.

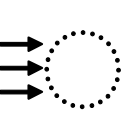

Some people use sparklers on Bonfire Night.

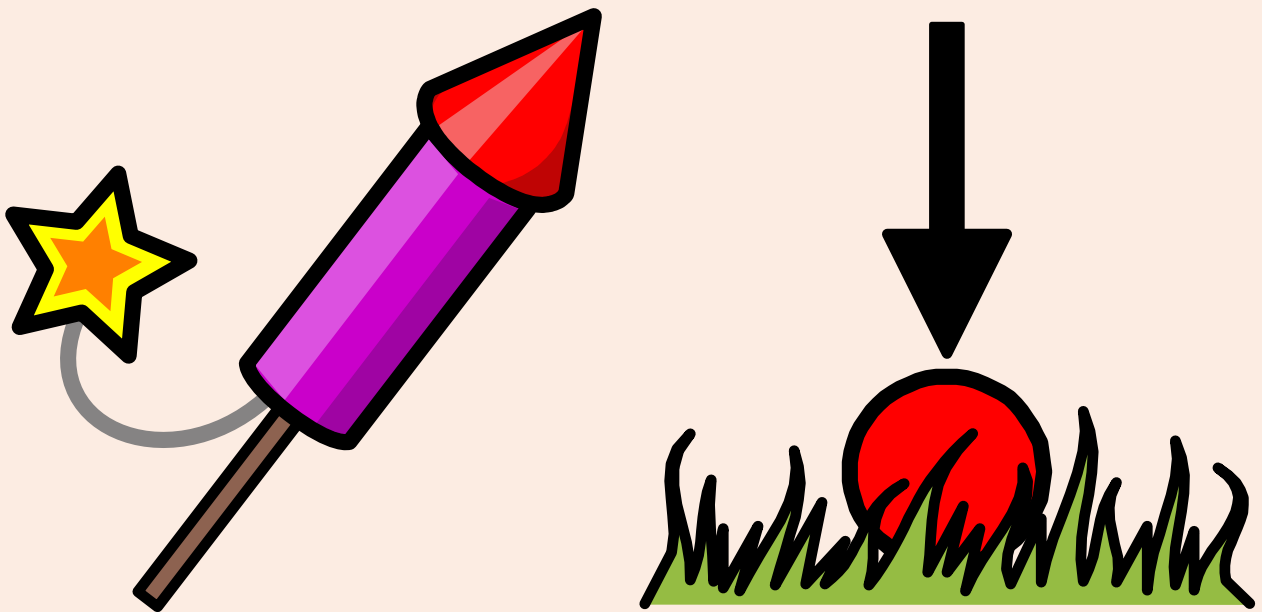

A trusted adult may show me how to hold one safely.

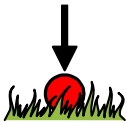

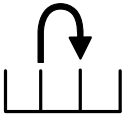

Wearing gloves helps protect my hands.

The sparkler tip gets very hot.

 A firework may land on the ground after use.

 Used fireworks may still be hot.

 A trusted adult may help with a firework on the ground.

 Adults help people stay safe around fireworks.

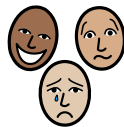

People

may

have different

feelings

during

Bonfire Night.

may

feel happy,

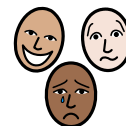

excited,

worried

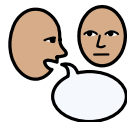

or other emotions.

may

talk to

my trusted adult

about how

I am feeling.

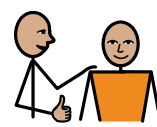

Trusted adults

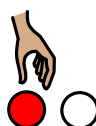

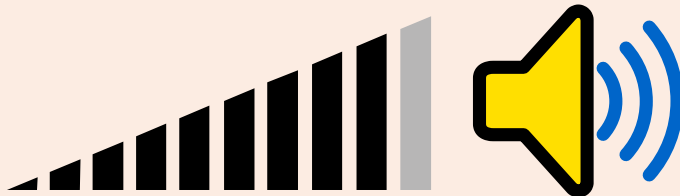

are there to

help

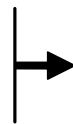

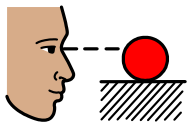

and support me.

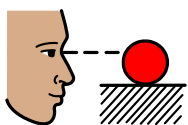

If fireworks sound loud to me, I have options:

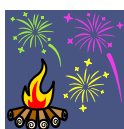

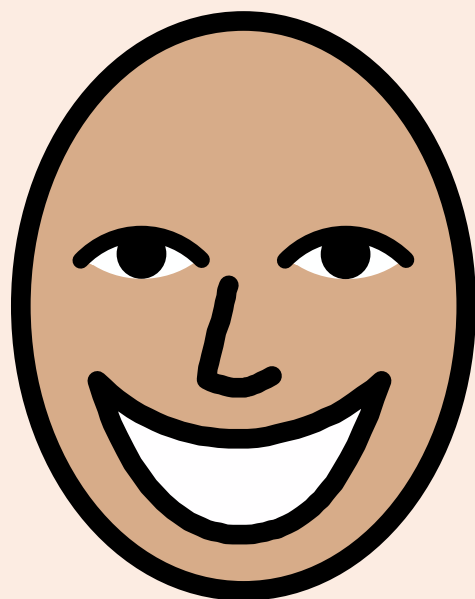

I may wear ear defenders or cover my ears.
