

Bonfire Night Acrostic Poem

Bright lights flash all over the sky,

Orange and yellow splashes of colour,

Now is the time to bring out your guy,

Fireworks and rubbish burn on bonfires,

In the darkness sparks fly all around,

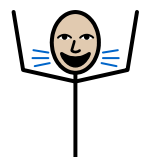

Rainbows of colour can be seen,

Everywhere is smoky and colourful,

November the 5th is a special night,

It only comes around once a year,

Girls and boys laugh and cheer,

Happiness is all around,

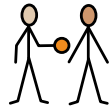

This is Bonfire Night.
