Rock, Paper, Scissors - How to Play

Print the sheets of cards and cut them out. Below are optional card backs if required.

Shuffle the cards and deal 8 cards to each player. Players then choose a card which they want to play. Other players then have to match the suit (Rock, Paper or Scissors). Player with highest score rating wins the hand. If a player does not have a card of the same suit, they can play a trump card - so if a player has no *Rock cards*, they can play a *Paper card* and win the hand. Player with the most cards at the end wins!

Halloween Treasure Hunt Instructions

Getting Ready

Print the Halloween picture cards and cut them out.

Print a checklist for each child, pair or team.

Set Up the Treasure Hunt

Hide the Halloween picture cards around your chosen space.

You Can:

Stick cards to furniture, walls or doors using tape.

Attach cards with string.

Hide cards under cushions, tables or chairs.

Place cards in easy-to-spot or more challenging places, depending on the children taking part.

When a child finds a card, they can tick it off their checklist.

Questions:

Can you find all of the cards?

Who can find all of the cards in the shortest time?

Who can find the most cards in 5 or 10 minutes?

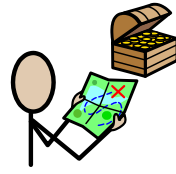

Can you work together as a team to find them all?

Tick the box
