 Our school is having a music contest.

 Here I am playing with Granny.

 Granny is great at the drums.

 My dad thinks we are very noisy.

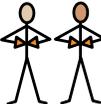

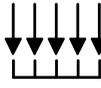

Look, I am practicing with Granny.

She likes me playing the guitar.

      

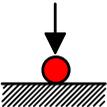

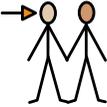

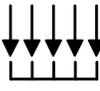

I really hope we win the contest.

     

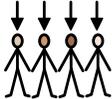

All our friends like our song.

    
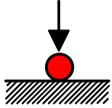

Here are our friends at the contest.

   
They are all enjoying themselves.

   
Everybody is clapping, singing and dancing.

  
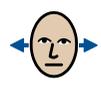

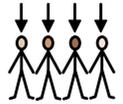

There are lots of people in the contest.

 Here  is  my  friend Susan.

 She is  singing  her  favourite  song.

 She can  sing  it very  loudly.

 Not  everybody  likes  Susan  singing.

 Now it is our turn to play.

 And look, Granny is playing the drums.

 It was great fun being on stage.

 All our friends sang along with us.

 is  Lucy with  her  guitar.

 Lucy is  waiting to  sing  her  song.

 Her  pet dog, Fiffi is  really  excited.

 Fiffi has  gone  on stage with  Lucy.

 is   Granddad with the  results.

 Everybody is  excited to  hear  who has  won.

 My  friend  Susan was in  third place.

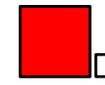

In  second place was  Lucy and  Fiffi.

Everybody was cheering for the winner.

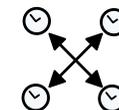

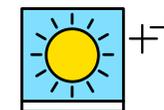

Granny and I had won the contest.

Our prize was a great big shiny cup.
