 We
  can
  play with
  a ball.

 We
  can
  throw it
  and
  catch it.

 We
  can
  chase it
  and
  kick it.

 Playing with
  a ball is
  fun.

 We can watch other children play.

 We can learn new games.

 We can ask to join in.

 We can make new friends!

We

can

ride a scooter.

We

can

scoot

around

the park.

We

can

scoot

on our own.

We

can

scoot

with

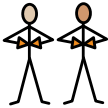

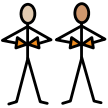

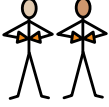

our

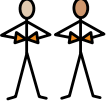

friends.

 If we get hot we can eat an ice lolly.

 Maybe we will eat an orange one.

 We can eat strawberry ones too.

 Ice lollies are yummy!

We

can

climb up

high.

We

must

use

our

hands

+

and

feet.

Higher

+

and

higher

we

climb.

Climbing

is

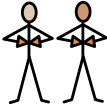

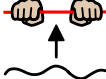

exciting.

 Swinging on a swing is fun!

 We have to hold on tight.

 Up and up higher we go

 We swing through the air.

 Skipping is
 
 fun
 
 and
 
 helps
 
 us
 
 keep fit.

 We
 
 can
 
 skip on
 
 the spot.

 We
 
 can
 
 run
 
 and
 
 skip.

 We
 
 can
 
 skip with a rope
 
 too!

 =  they   wheels.

  may be  green,  red  or  blue.

 Bikes can be  big  or  small.

 We  can  ride them  all  day long.
