

New Zealand

Widgit Symbols (c) Widgit Software 2005

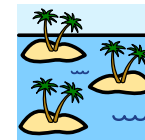

New Zealand

has

2

two

islands.

The capital city

=

is

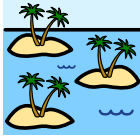

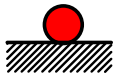

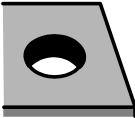

called

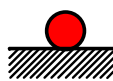

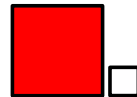

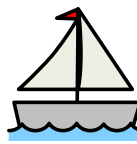

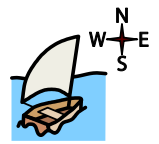

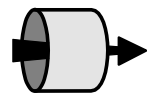

Auckland.

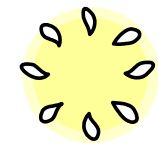

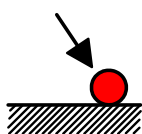

The  bay of the  islands has a  very  famous  cave. 

 It is  called  Hole  in The  Rock.

 It is
  so
  big
  a boat
  can sail
  through
  it.

 New Zealand
  is very
  beautiful.

There

=

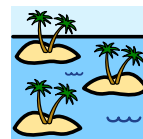

are

beaches,

mountains,

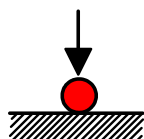

islands

+

and

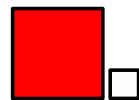

rainforests.

Here

is a

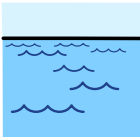

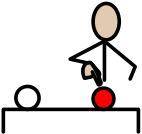

big

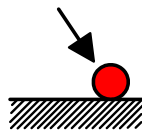

waterfall.

 The mountains  come  down  to the  sea.

 This  is called a  fiord.

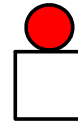

There

are

glaciers

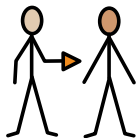

on

the

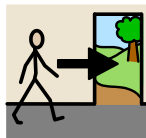

mountains.

You

can

go to

the

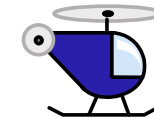

mountain

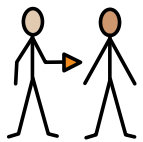

in

a

helicopter.

You

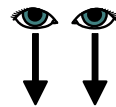

can

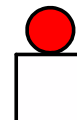

go

whale

watching

on

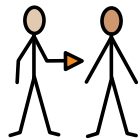

the

south

island.

You

can

also

see

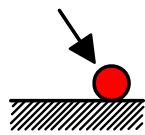

seals

and

penguins.

There

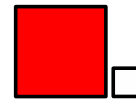

are

some

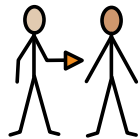

very

big

lakes.

You

can

go

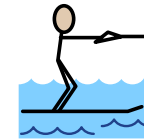

in

a

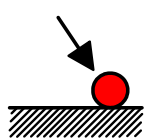

speed boat

or

waterski.

There

=

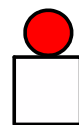

are

strange

rocks

on

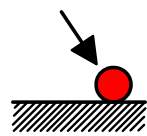

the

west

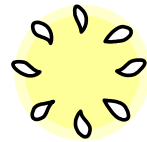

coast.

There

=

are

beautiful

beaches

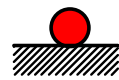

in

the

north.

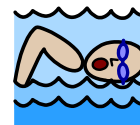

It is

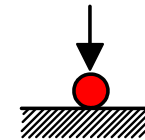

good

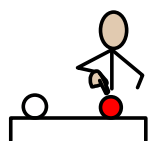

to

swim

here.

This

is

called

Split

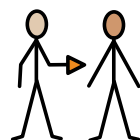

Apple

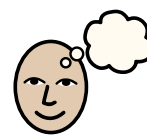

Rock.

Can

you

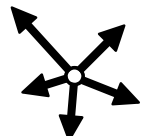

think

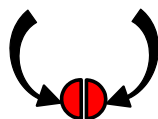

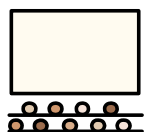

why?

The Lord of the Rings was filmed in New Zealand.

People come to see where

the film was made.
