

# Welsh Mountains

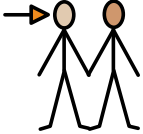

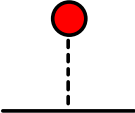

Widgit Symbols (c) Widgit Software 2005

 There
 
 are
 
 some
 
 high
 
 mountains
 
 in
 
 North
 
 Wales.

The
 
 highest
 is
 
 called
 
 Snowdon.

  
 The mountains in Wales are very unusual.

  
 They are very high mountains

  
 but you can climb to the top.

You

must

be

careful

walking

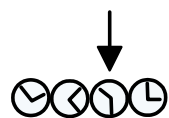

in

the

mountains.

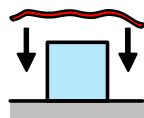

Sometimes

the

clouds

cover

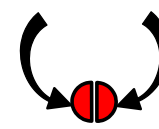

the

tops

and

make

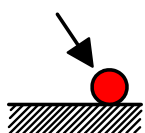

it

very

misty..

There

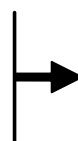

are

great

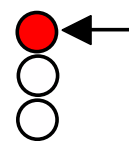

views

from

the

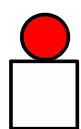

top

of the

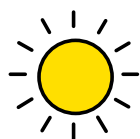

mountains.

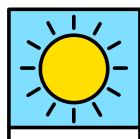

On

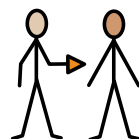

a

sunny

day

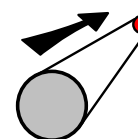

you

can

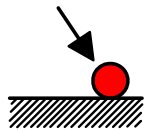

see

a

long way.

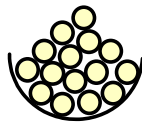

There

=

are

many

lakes

in

the

mountains.

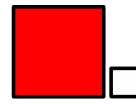

Some

=

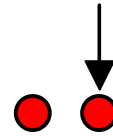

are

very

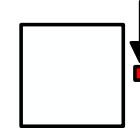

big,

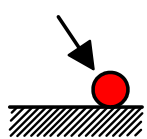

others

=

are

very small.

There

=

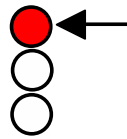

are

no

trees

at the top

of

the

mountains

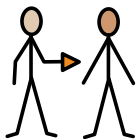

in

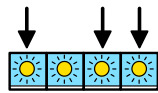

Wales.

You

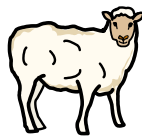

can

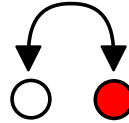

often

see

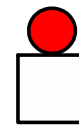

sheep

or

goats

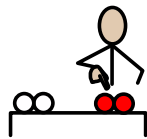

on

the

mountains.

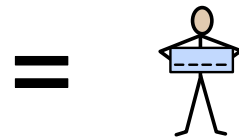

These

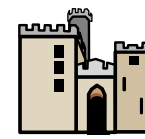

rocks

=

called

The

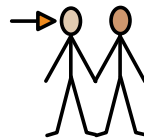

Castle

of The

Winds.

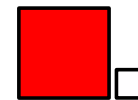

They

=

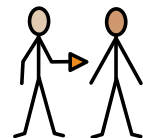

very

big.

Can

you

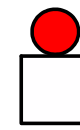

see

a

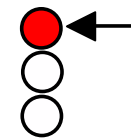

man

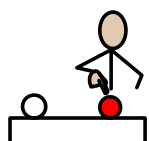

on

the

top?

This

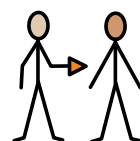

is a

famous

rock

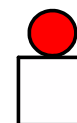

you

can

walk

on.

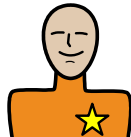

People

=

are

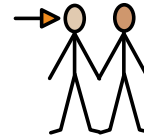

very

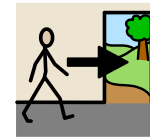

proud

when

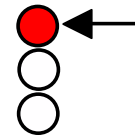

they

get to

the

top.
