Individual Account

Thank you for purchasing a subscription to Widgit Online.

Converting a trial account

If you already have a trial account set up, you can convert this to a full account. To do this:

- Log in to Widgit Online

- Go to the ⚙**Settings** page from the link in the top right corner.

- Click on the **Subscriptions** link form the menu.

- With your purchase you will have received a 24 digit serial/licence key.

- To use this key click on the **Activate your account** button.

- Enter your licence key and click **Activate**.

- Your account will now be valid for the duration of your subscription.

The Subscription page always gives you an overview of how long until your account expires.

> If you have an **Individual Trial Account**, You can convert it to a **Group Trial Account** at any point by clicking the **Switch to a group trial button**. You will then be able to purchase a full group subscription.
