Creating Time Matching Cards

This resource will allow you to make flashcards displaying both digital and analogue versions of times, to aid children's learning.

✔ After making this resource you will be able to...

- Log into your account and access the **Templates**
- Select an appropriate **Template**
- Fill in part of the **Template** - using autofill feature for the rest
- Save the **Document**
- Print the **Document**

🕐 **This activity will take you approximately 5 minutes to complete.**

Log In

1. Go to the URL:
www.widgitonline.com and
Log In

Log in to Widgit Online

Find the Correct Template

2. Select **Create from a Template**

🔲 Create a Document   ⬛ Create from a Template   ⬆ Upload a Document   View

3. Click the **Flashcards and Vocabulary Templates** , and the **Symbol / Word Cards**

Create the Document

4. By typing the digital time in the **Text** box (left hand column), all the related boxes will auto complete.

5. Continue with the other rows. You can also add a **Header** if desired.
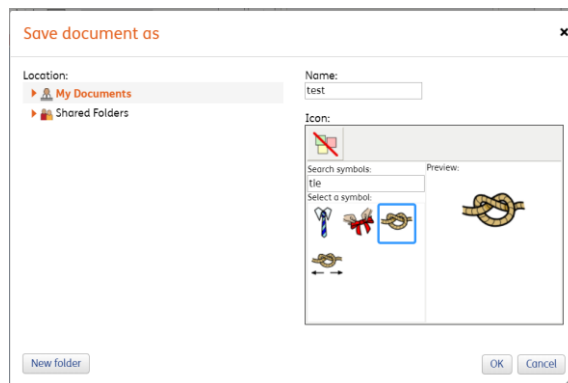

Save and Print the Resource

6. To save the document click on the **Save** icon.

7. Choose the **Location** to save in from the left-hand side. Type a **Filename** in the box, and you can also choose a symbol for the file (optional). Click **OK** to save.

8. To print a document, click the **Print as PDF** icon. Click **View PDF** on the pop-up window. You can then send to your printer.
