## Find the Correct Template

1. Select **Create from a Template.**
2. Click on **Activities** and one of the **Dominoes** templates.

- The template is pre-filled, and can be quickly changed.

## Edit the Document

- Click and drag to highlight the first "elephant" text.

- Type your new word "triangle". Every instance of the word will be changed.

- Repeat the process, replacing the first instance of each animal with your own text (shape names). All the other instances of that word will be automatically replaced.

## Save and Print the Resource

7. To save the document click on the **Save As** icon.

8. Choose the **Location** to save in from the left-hand side. Type a **Filename** in the box, and you can also choose a symbol for the file (optional). Click **OK** to save.

9. To print a document, click the **Print as PDF** icon. Click **View PDF** on the pop-up window. You can then send to your printer.
