

Feathers

A Pecks the Hen book from Exmoor Zoo

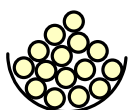

Widgit Symbols © Widgit Software 2002 - 2021

Pecks

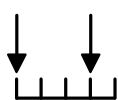

has

lots of

feathers.

Some

feathers

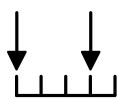

keep

her

warm.

Some

feathers

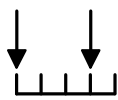

help

her

fly.

Some

feathers

give

her

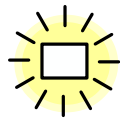

shape.

Pecks the hen

grows

new

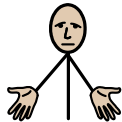

feathers

every year.

Feathers

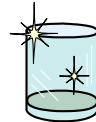

need

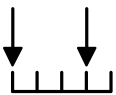

to be

kept

clean.

Some

birds

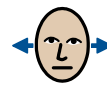

bathe

in

water.

Not

Pecks!

Pecks the hen

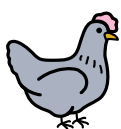

hates

to

get wet.

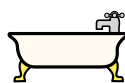

Pecks

is

going

for a

bath.

Pecks

bathes

in

Boots'

garden.

Pecks

looks

to

make sure

it's

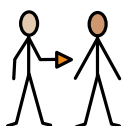

not raining.

Rain

gets

you

wet.

Pecks

hates

rain!

Pecks

bathes

in

mud

and

dust.

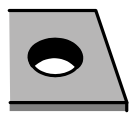

Pecks

digs

a

hole

in

the

garden.

Pecks

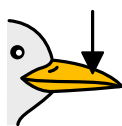

digs

with

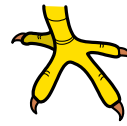

her

beak

and

claws.

Then

Pecks

rolls

in

the mud!

Boots

finds

Pecks

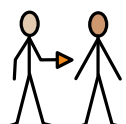

in

the

garden.

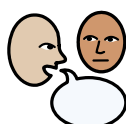

"You

=

are

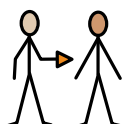

filthy"

said

Boots.

"You

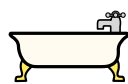

need

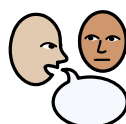

a

good

bath"

said

Boots.

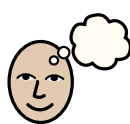

Silly

Boots,

Pecks

thought.

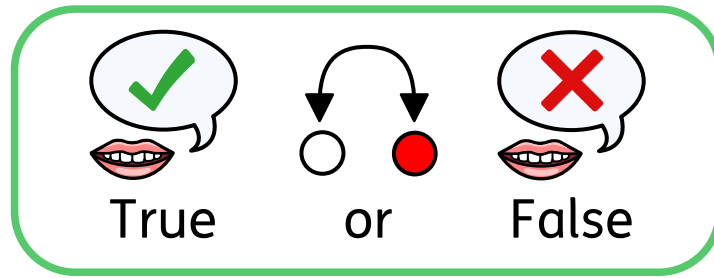

I

already

had one.

Feathers

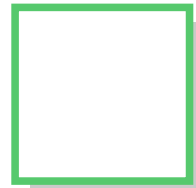

help

bird

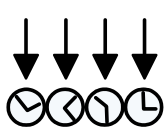

fly.

Feathers

=

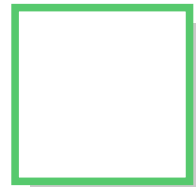

are

always

clean.

Feathers

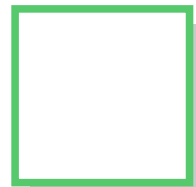

keep

birds

warm.

Feathers

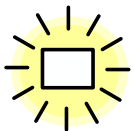

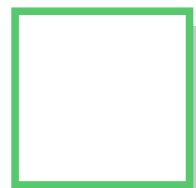

give

birds

shape.

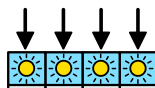

New

feathers

grow

every day.
