

The disco

I

had

a

ticket

for

the

school

disco.

It

=

was

on

Thursday

night

in

the

school hall.

My

friends

Jane

+

and

Emma

=

were

going.

My

friend

John

=

going

too.

?

"Can

I

have

new clothes

Mum?"

I

said.

She

said,

"Yes

let's

go shopping"

We

went

to

the

shops.

I

saw

a

green

dress.

I

bought

it.

I

saw

some

silver

sandals.

I

bought

them.

I

saw

a

silver

handbag.

I

bought

the

handbag

too

but

that

was

all

my

money

gone.

On

Thursday

we

=

were

all

excited

at

school.

Nobody

listened

to

the

teacher.

At

home

I

had a shower.

I

washed my hair.

I

brushed my teeth.

I

got dressed

in

my

new clothes.

My

sister,

Ann,

helped

me

with

my

makeup.

I

had

silver

eye shadow

and

pink

lipstick.

My

dad

said

I

looked like

a

princess.

I

felt

special.

"Do

you

think

John

will

dance

with

me?"

I

said.

"Just ask him" said Mum.

... → Then the taxi came.

At school the hall looked different.

It

had

balloons

and

lights

and

decorations.

The music

was

really

loud.

Everyone

was

dancing

but

where

were

Emma

and

Jane?

I

looked

around

the

room.

They

had

gone

to

get

cokes

from

the

tuck shop.

We

had

a

drink.

We

danced

when

we

heard

a

Kylie Minogue

record.

John

came

over to

dance

with

us.

He

looked

lovely.

He

had

a

new

shirt.

He

had

aftershave

on

and

smelled

great.

I

smiled

at

him.

He smiled at me.

Emma and Jane went to get more drinks.

John and I stayed dancing.

He

held

my

hand.

He

smiled

again.

We

danced

slowly.

The record finished.

John

said,

"You

look

beautiful."

He

kissed

me.

When

I

got

home

Mum

said,

"Was the

disco

good,

Molly?"

"It

was

fantastic"

I

said.
