TESCO

Tesco

 ^M +  ^E =   
 Mike and Emma are going to cook their lunch.

  =   
 Their mum is busy in the garden.

      
 Mum said she would help with a real problem.

Mike

and

Emma

must

choose

a

meal

that

they

both

like

and

can

cook

independently.

First

they

choose

their

food.

Fish fingers, oven chips and baked beans.

They

thought

they

would

cook

lunch

for

mum.

It

would be a

nice

surprise.

While

they

are

waiting

at

the

checkout

a lady

talks

to

them.

They

tell

her

what

they

have

bought

and

that

they

are

cooking

their own

lunch.

 Outside
  the shop
  the lady
  is
  waiting
  for
  them.

 "Why don't you come with me".

 "I will buy you lunch at Burger King" she says.

 "No
 thank you"
 said
 Mike
 and
 Emma.
 "But
 you
 like
 burgers
 and
 Burger King
 is
 around
the
 corner".

"Come

on

you'll

have

fun"

said

the

lady,

smiling.

Mike

and

Emma's

favourite

food

is

burgers,

especially

Burger King.

They are hungry.

"We

can be

quick

+

and

your

mum

=

not

be

worried"

says

the

lady.

 E
  we
  don't
  have
 an
  Aunty
  Betty"
  says
  Mike.

 "I
  know
  but
  we
  had to
  leave
  that
  lady".

 "Now
  we
  must
  tell
 the
  the shop
  manager."

They

saw

the

lady

running

up

the

street

and

hurried

to

tell

someone

in

uniform

about

her

to

ask for

help.

A  came  to the  shop.

 M +  E and  told the  policeman  about the  lady.

 He  walked  home  with  M +  E and Emma.

 The policeman
 
 helped
 
 them
 
 to
 
 tell
 
 Mum
 
 what
 
 had
 
 happened.

 Mum
 
 was
 
 proud
 
 of
 
 Mike
 
 and
 
 Emma.

 They
 
 did
 
 the
 
 right thing.
