My Templates	This folder is empty.		

2. Click on Activities and one of the Dominoes templates.

Choose a Template

 The template is pre-filled, and can be quickly changed.

To create your own set of dominoes, replace any symbol and it will auto-populate the rest of the set.

There are seven words in this dominoes template.

Edit the Document

 Repeat the process, replacing the first instance of each animal with your own text (shape names). All the other instances of that word will be automatically replaced.
